GENERAL INFORMATION ABOUT THE INTERSTATE HIKING CLUB

Who we are!

The Interstate Hiking Club (IHC) is a medium-sized hiking club, organized in 1931. IHC has been affiliated with the NY/NJ Trail Conference, as a trail maintaining club, since 1931.

Guests are welcome! An adult must accompany anyone under 18. **No Pets allowed on IHC hikes.**

Where do we go?

Most of our activities are centered in the NY/NJ area; some hikes, bicycle rides and canoe trips are farther away. The club occasionally sponsors trips in the Catskills and Pennsylvania. Our hikes are not usually accessible by public transportation.

What do we do?

Hikes, bicycle rides and canoe trips generally are scheduled for every Sunday, and some Fridays and Saturdays, as day-long outings. They are graded by difficulty of terrain, distance and pace. **The Hiking grades are:**

Easy: These hikes are 3 to 5 miles in length and should have no significant hills.

Moderate: These hikes are 5 to 8 miles and may take up to 5 hours, including time for trail lunch. They should not generally have multiple long steep hills, and should be at a moderate pace.

Moderately Strenuous: These hikes are 5 to 8 miles with multiple steep hills or 8 miles or more which are mostly flat walking. They can last up to 6 hours including trail lunch. Pace to be moderate.

Strenuous: Not for novices. Hikes are 8 miles or more and last 6 hours or more, including time for trail lunch. These may have many long steep hills and may be at a brisk pace.

The club also maintains trails in association with the NY/NJ Trail Conference. Two Sundays a year are devoted to this service work. In addition, in the past we have participated in the following: orienteering, snow-shoeing, cross-country skiing, swimming, mountain biking, backpacking, and camp-outs in the Adirondacks, Southern Appalachians and Maine.

What to bring:

Footwear is very important. Hiking boots with non-slip soles are essential for all hikes. New footwear should be broken-in before being used on a hike!

Bring plenty of water to drink (In the summer; a minimum of 2 quarts recommended), a trail lunch, but please no food that requires cooking. Bring a pack to carry your gear in, including rain gear, sweater, etc., leaving your hands free for climbing.

Things to be aware of:

All outdoor activities involve inherent risks. Your participation in these activities is at your own personal discretion and you are solely responsible for your safety!

The stated meeting time for a hike "is" the departure time.

The leader is in charge of the event. Allow the leader to set the pace. **Do not rush ahead or fall behind the group.**

The leader has the right to refuse any person he/she deems not prepared for the hike/event.

How to join:

Application for membership may be given to any club officer or mailed to the treasurer **upon the completion of one activity.** Guests who have attended three activities, **shall be expected to apply for membership** before attending any more activities.
